

THE
GREAT
BIG
RADISH!

by teddy stevens

In a great big city

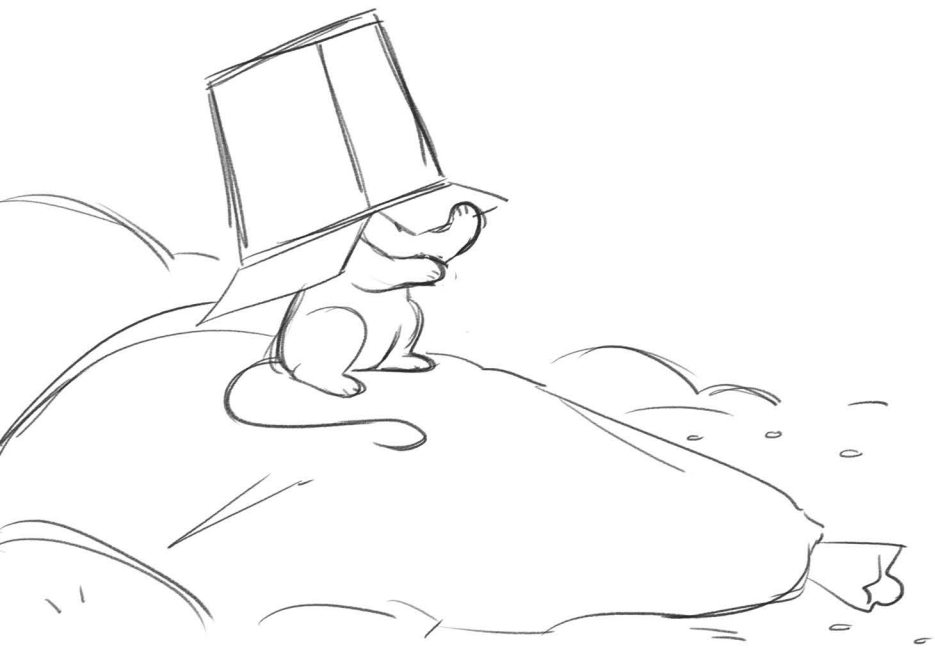

with lots and lots of noise

there was a little lot.

It was filled from corner to corner

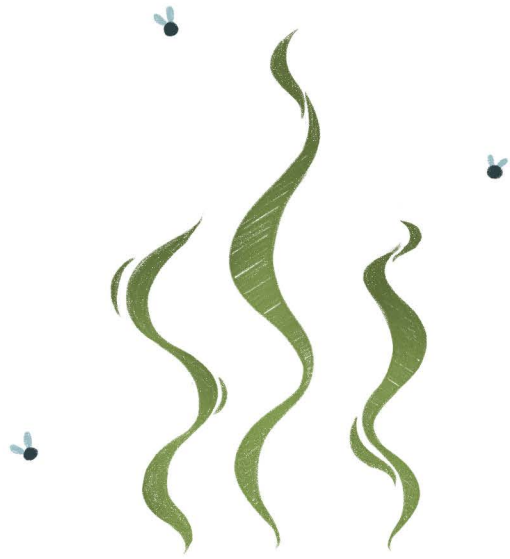

with stinky trash!

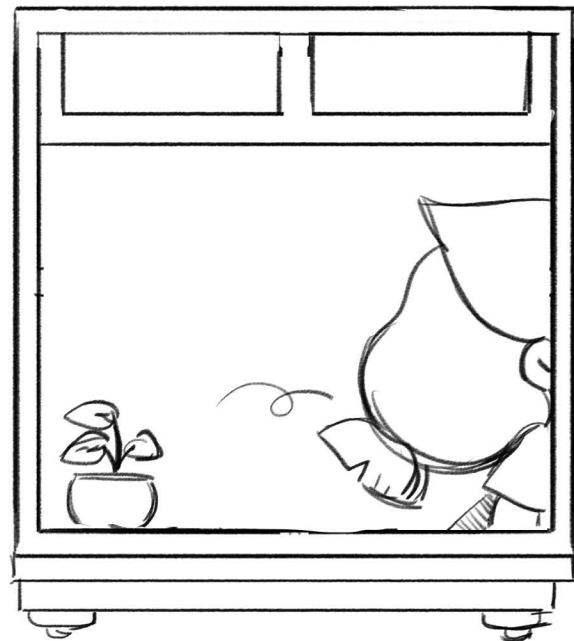

And right above this stinky little lot was a little girl named Sophie.

Everyday Sophie would wake up and gag at the smell!

Until one day she decided to
do something about it

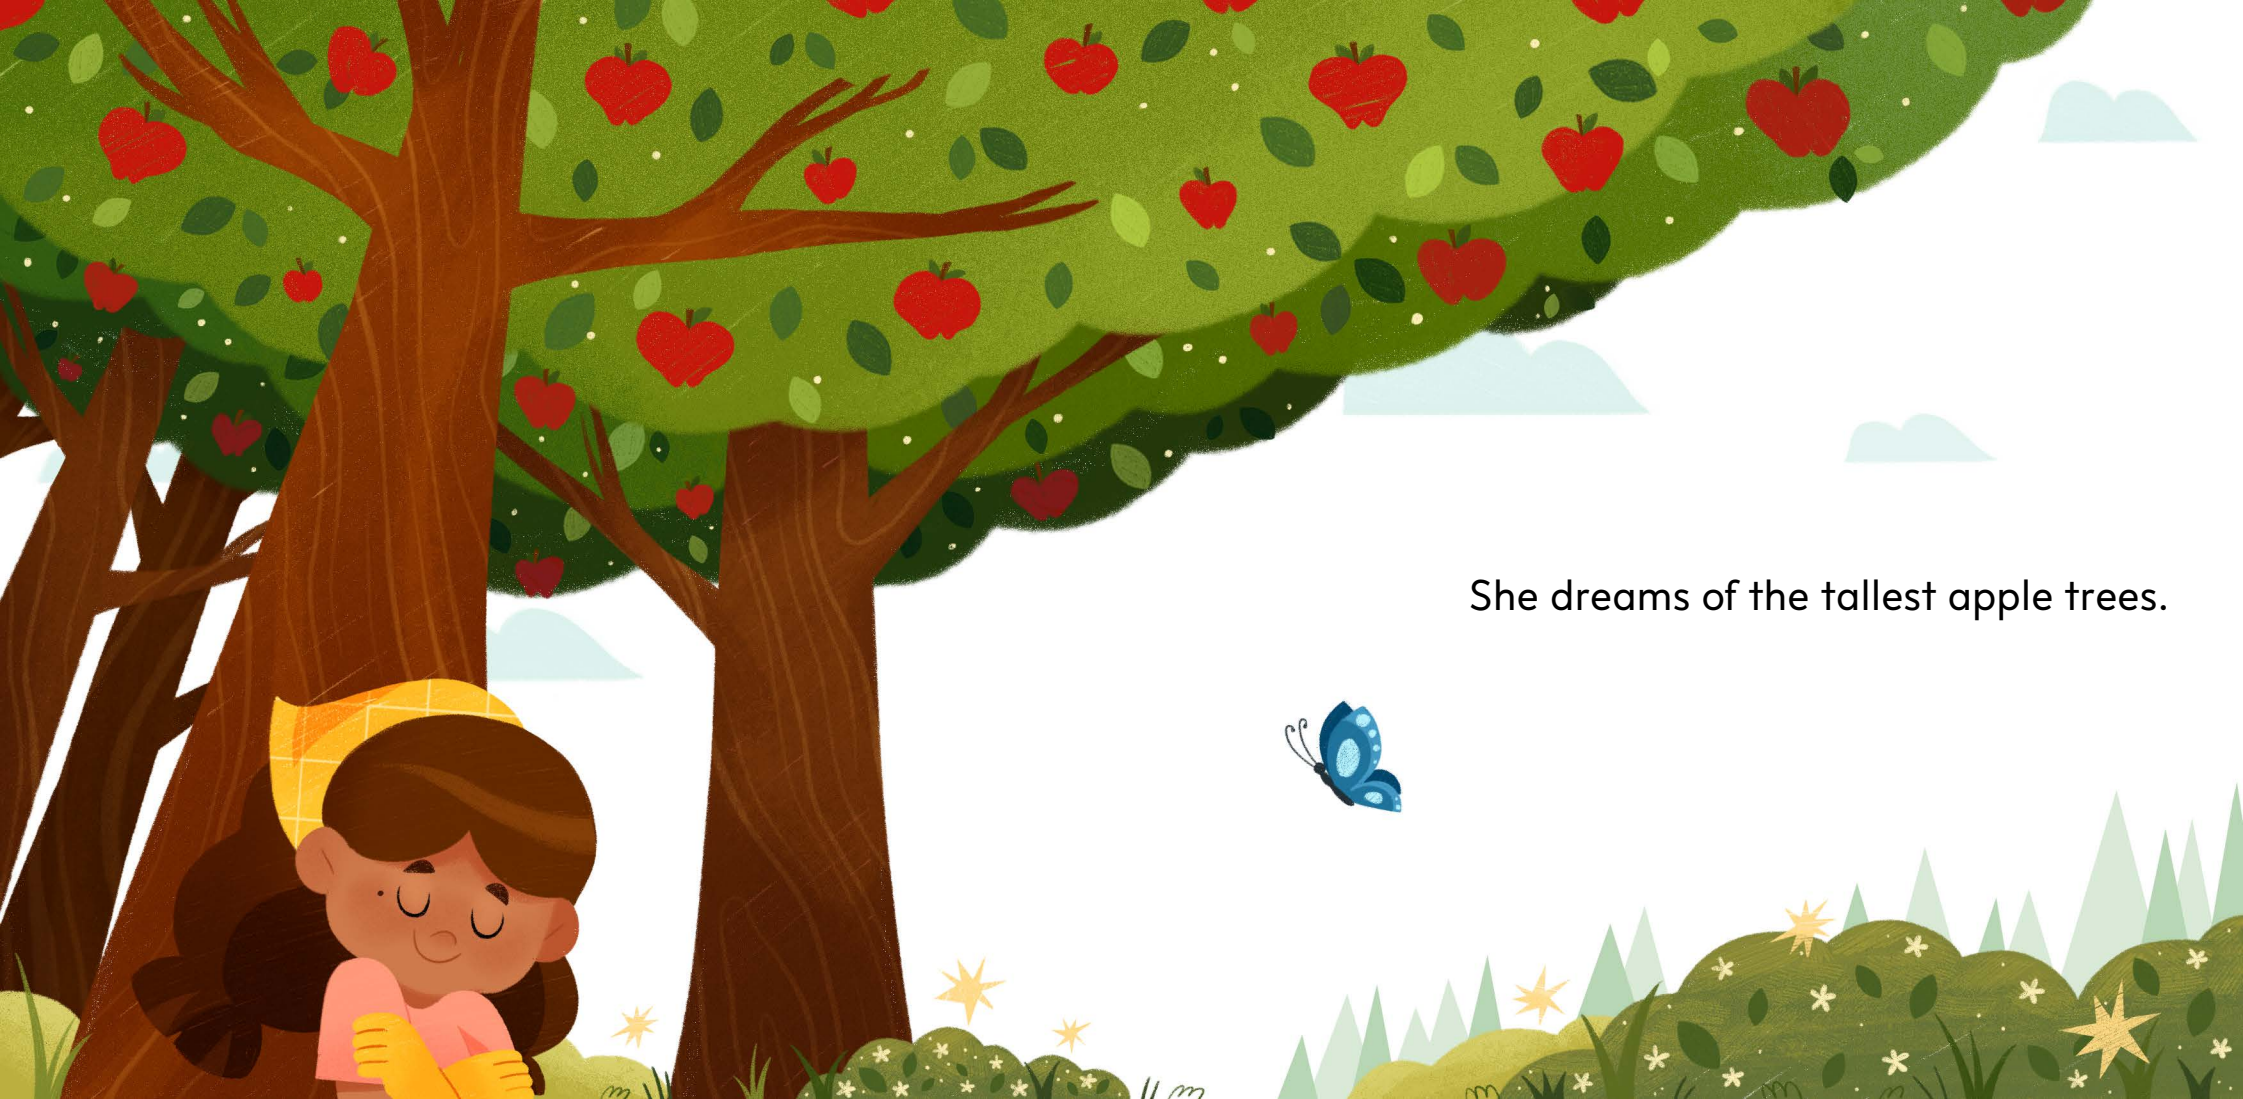

You see, Sophie loved plants!
And she would day dream
all day...

And all night about having
the biggest garden.

She dreams of the tallest apple trees.

And the sweetest strawberries.

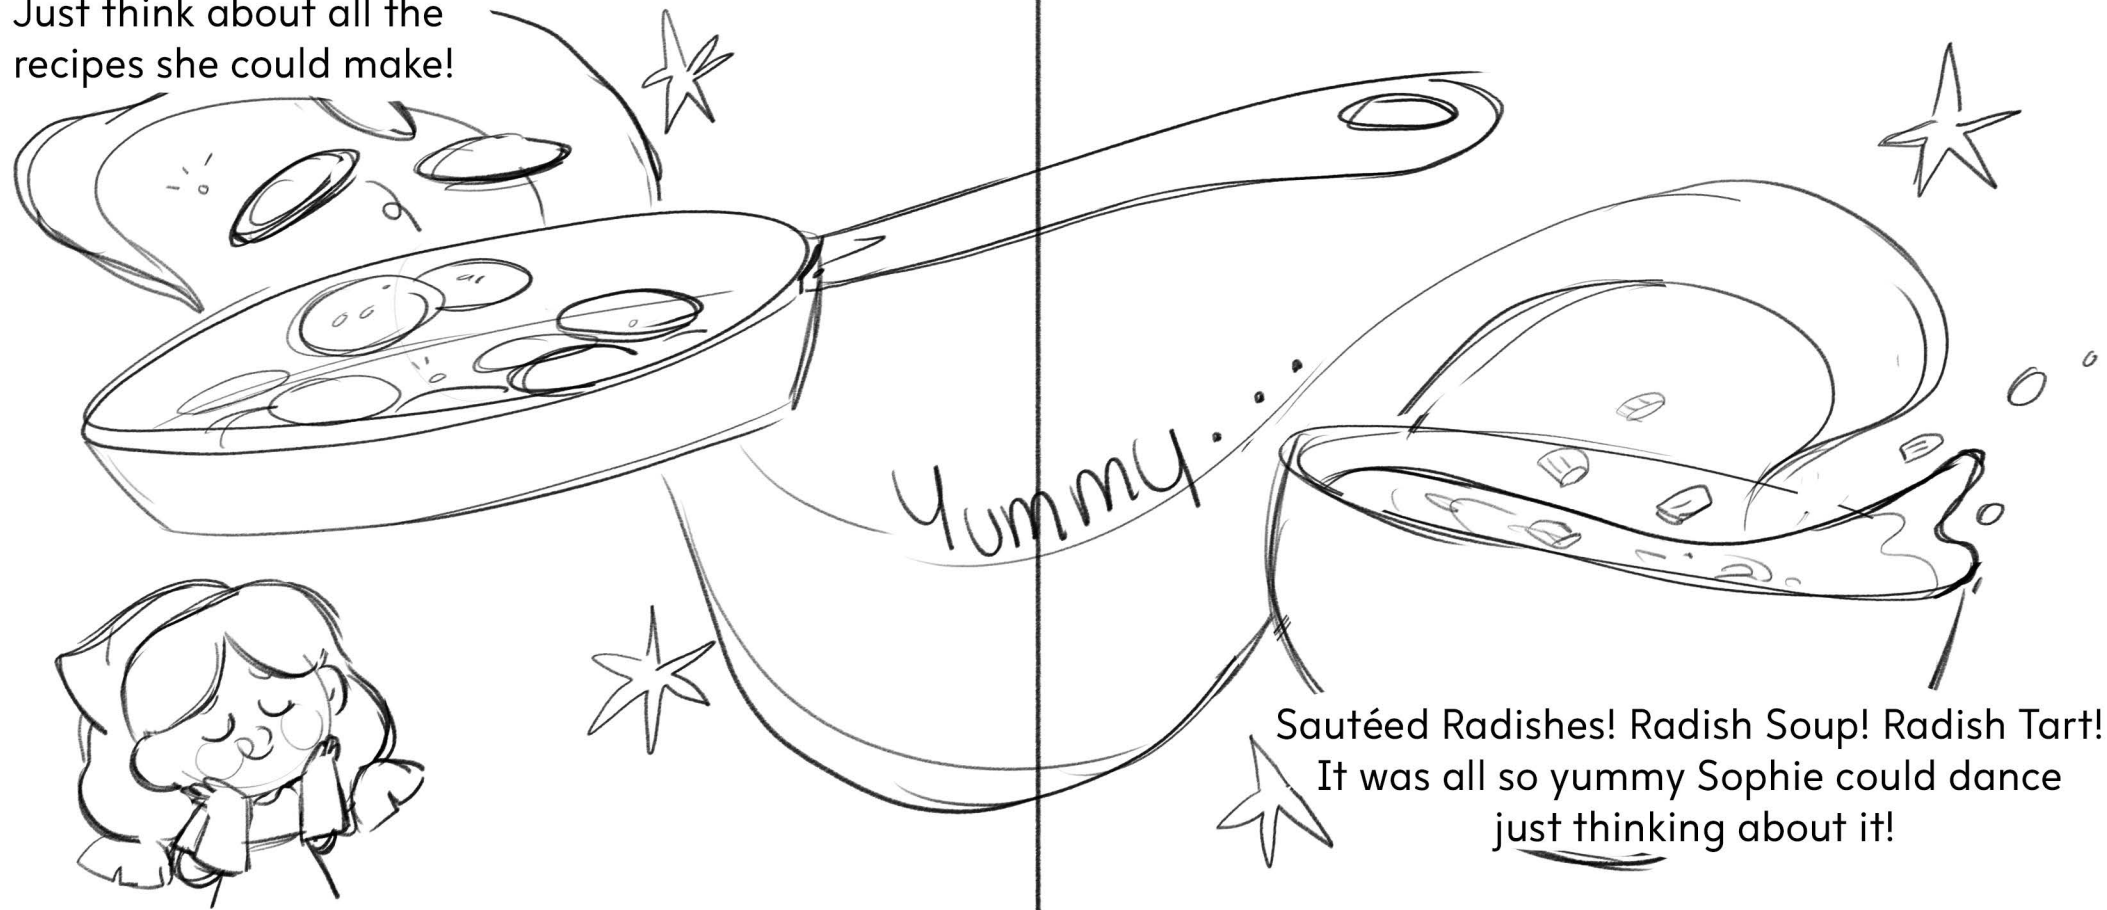

And of course she can't forget her favorite...

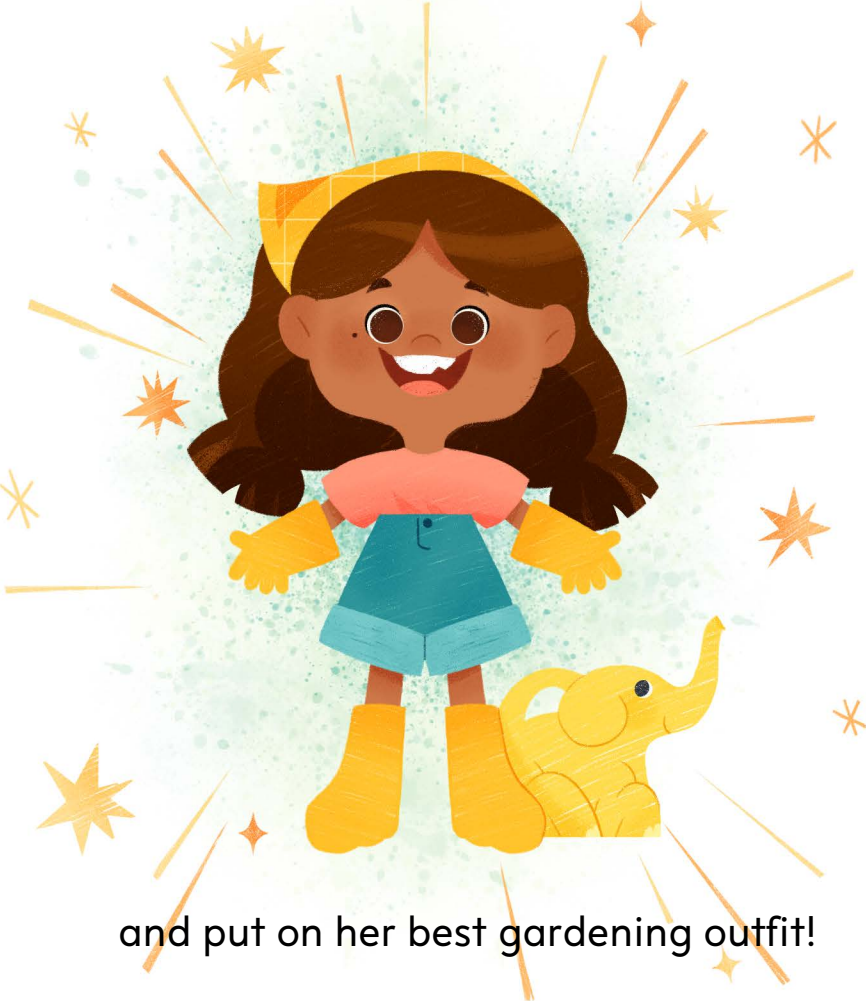

zesty radishes!

Just think about all the recipes she could make!

Sautéed Radishes! Radish Soup! Radish Tart!
It was all so yummy Sophie could dance
just thinking about it!

So she gathered her supplies...

and put on her best gardening outfit!

And picked up her favorite packet

and made a wish.

For the biggest, coolest radish the world has ever seen!

Hehehe!

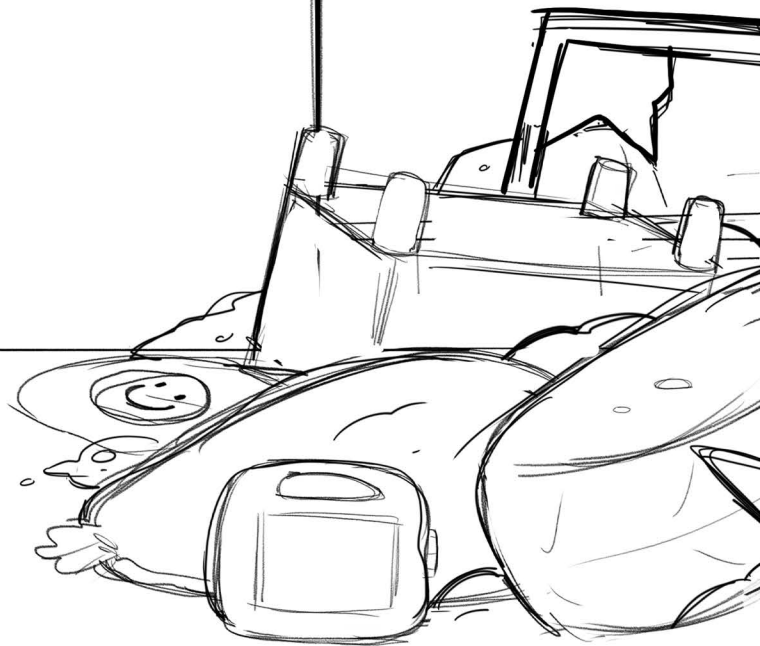

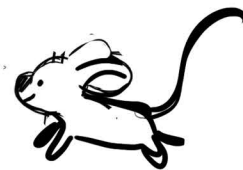

So, Sophie got to work...

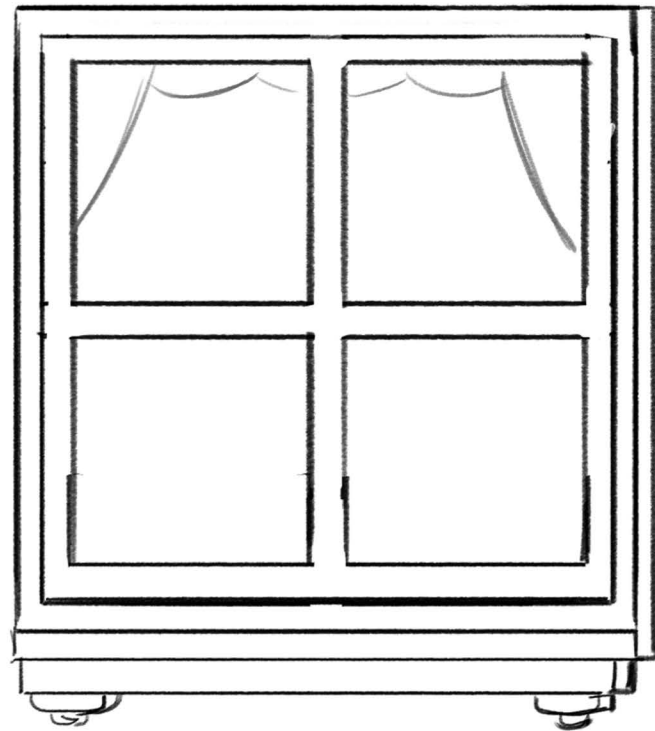

And planted the radish seeds in the little lot.

And it grew.

And grew.

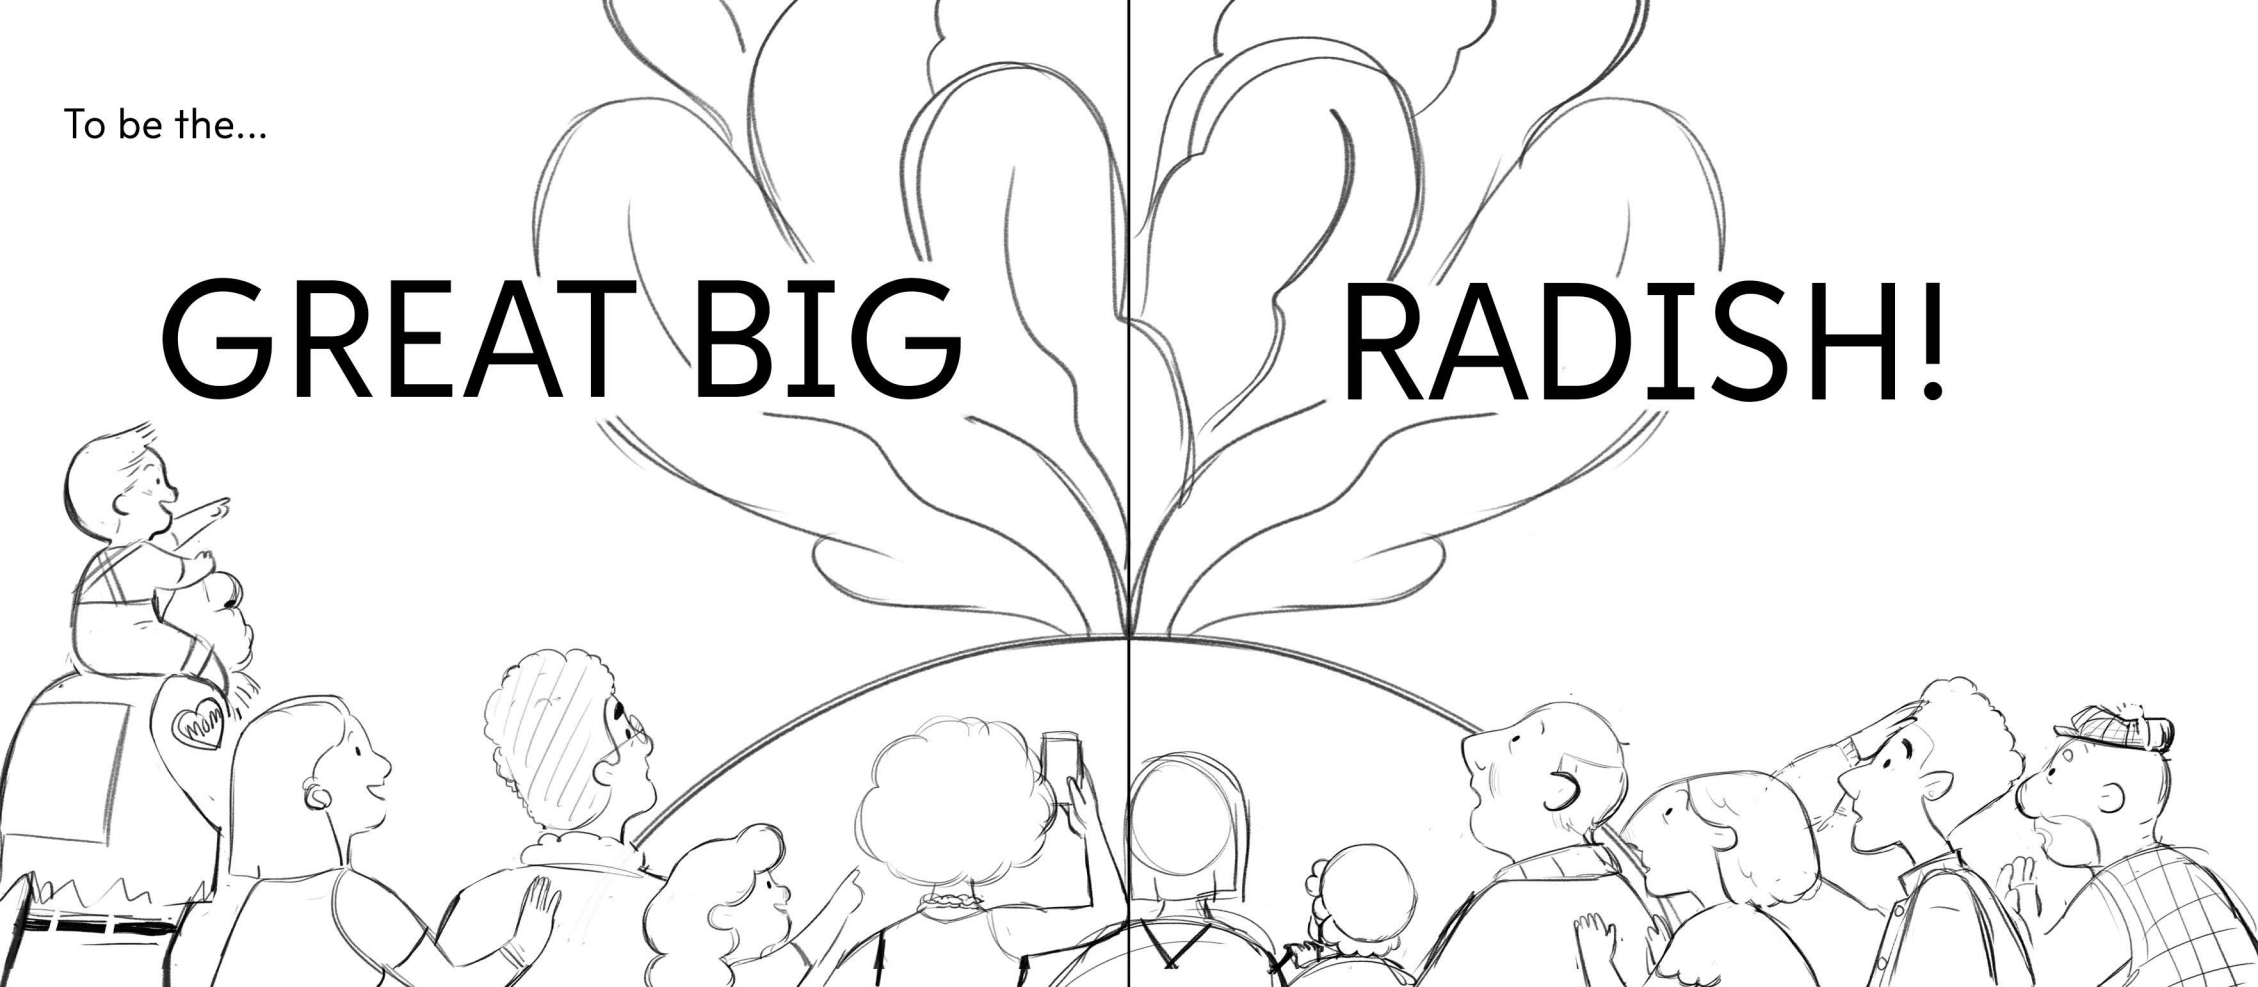

And grew and grew...

To be the...

GREAT BIG RADISH!

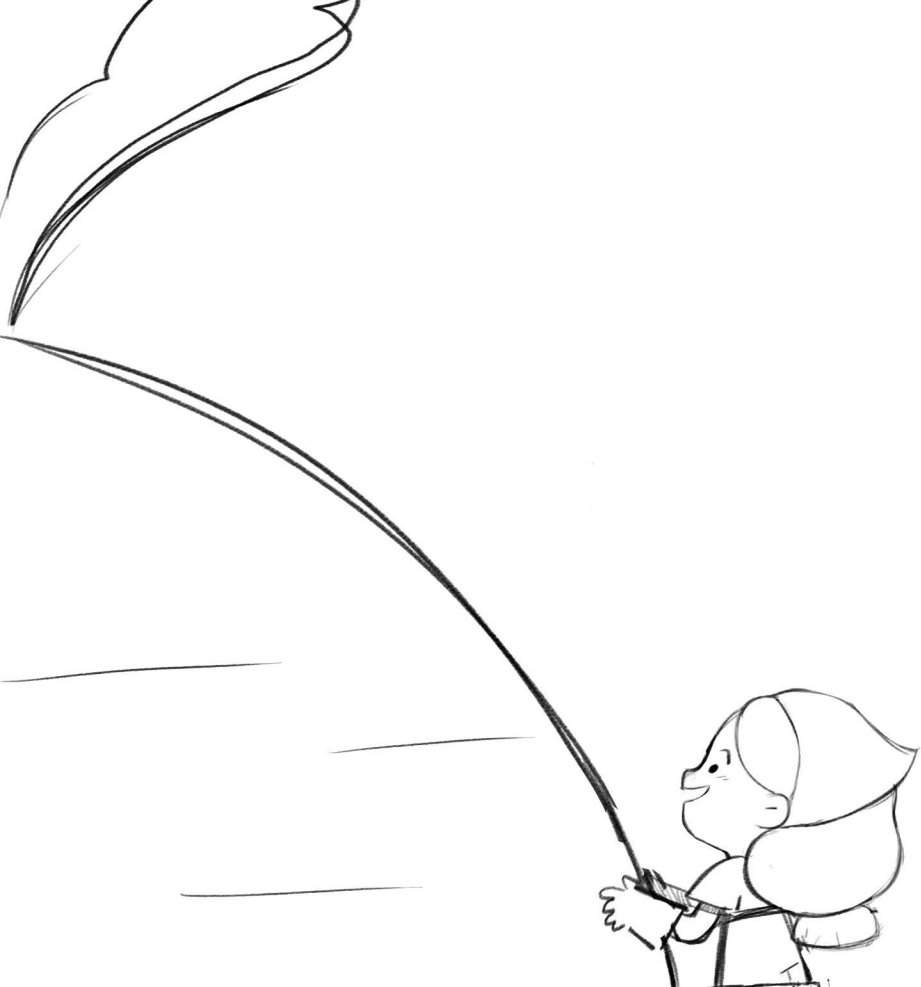

For the first time everyone stopped
and stared!

"THATS MY RADISH!"

“I knew it! I knew you could do it!”
Sophie said.

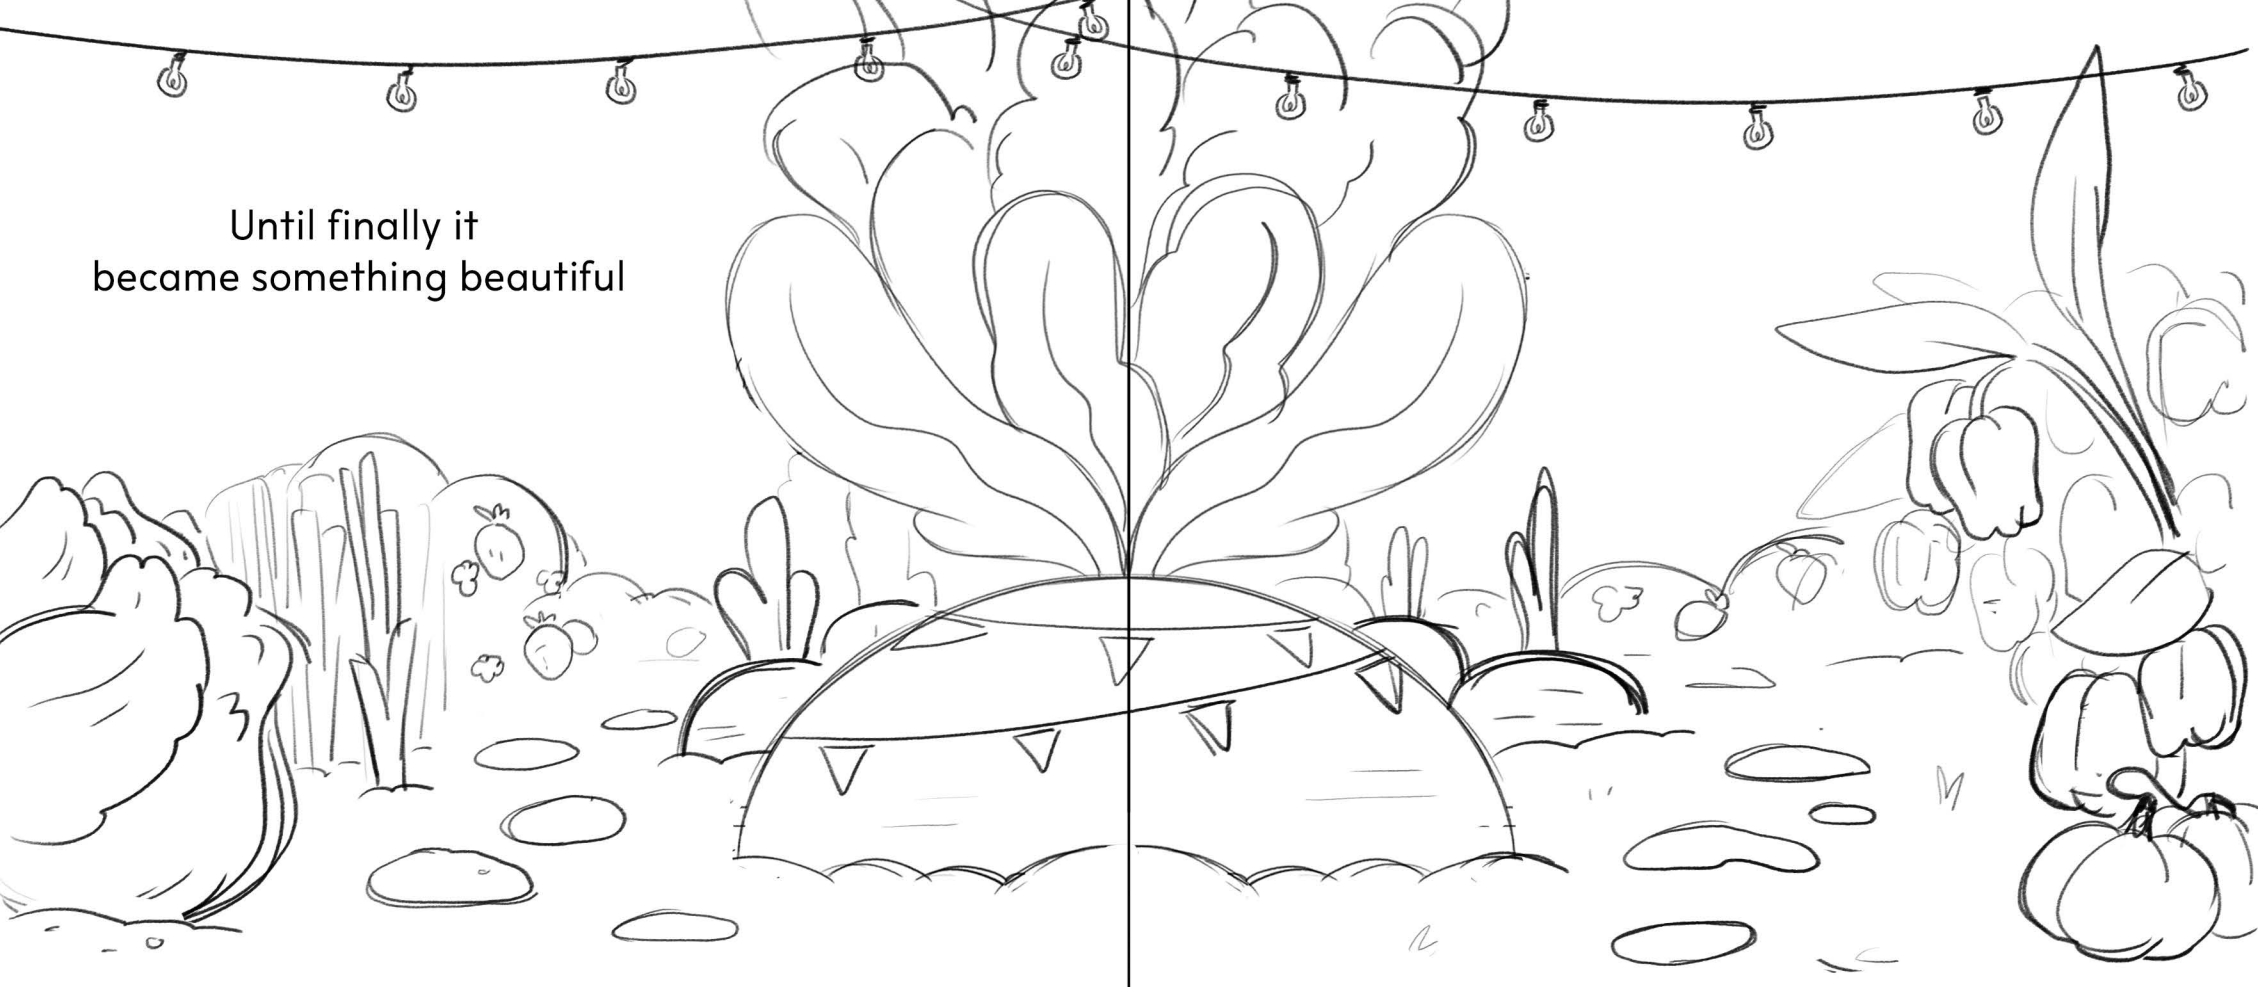

And little by little...

the lot got cleaner.

Until finally it
became something beautiful

For everyone to enjoy!
